

After Submitting Your Application

After submitting your application on GoApplyTexas.org, you will/may be required to submit the following documentation:

- **High school transcript with graduation date or GED** is *required* (unless you are not a high school graduate/have not completed the GED; electronically sent transcripts are preferred, but make sure that paper copies are official and remain sealed in their envelope until they are provided to Admissions & Records staff)
- Official, sealed or electronically sent copies of **All College Transcripts** are *required* (for fastest processing, request transcripts to be sent electronically via EDI format; paper copies of transcript must be official and remain sealed in their envelope until they are provided to the Admissions & Records staff)
- Valid **Meningitis Vaccination** for students less than 22 years of age is *required* (meningitis vaccinations are good for five years)
- State Residency Documentation required for some applicants. [Get more information about residency.](#)
- **In-District Residency Documentation** may be requested for those students residing in the Lee College taxing district in order to reduce tuition rates. [Get more information about residency.](#)
- Other documentation may be required or requested in order to verify residency, personal information, or other items relevant to a student's record.
