Accessible Workstations

To better serve students with visual impairments or learning disabilities, the following computer stations have accessible software for students' use.

JAWS Software

- Library (first floor of the ATC Building)
- Testing Center (Rundell Hall 211) / For testing purposes only
- Writing Center (Boner Hall 225)
- Math Lab (Bonner Hall 113)
- Access Center / Disability Services (Rundell Hall 106)

NVDA

- Student Success Center (Rundell Hall 100)
- ATC Open Computer Lab (ATC 208)
- Math Lab (Bonner Hall 225)
- Writing Center (Bonner Hall 225)
- Lee College Education Center South Liberty County
- McNair Campus

In addition, the College has a site license for Kurzweil Screen Reader that students can use on their personal devices. For more information on how to download and utilize Kurzweil, contact the Access Center at 281.425.6217.

To report a concern or request support, please contact the Access Center at 281.425.6217 or 832 556.4069 or via email: kvillanueva@lee.edu
