

Employee Network Accounts

Lee College faculty and staff network accounts are issued to employees after their hire date and will remain active during employment until termination. Your network account grants you access to the Lee College network, your employee email, and Blackboard.

For name changes or modifications to your Network account, please notify the [Human Resources](#) department.

To reset your network password please contact the Lee College myLC Help Desk:

- Email: helpdesk@lee.edu
- Call: 281.425.6952
- [Help Desk Requests](#)

NOTE: Lee College Information Technology staff will never request your password. Do not click any links or reply to any emails that request that you confirm or update your username or password.
