

Getting items from other libraries

Sometimes the specific book or article you want is not at the Lee College Library. In those times, you may still be able to obtain what you need. Here are two ways:

Interlibrary Loan (ILL)

- Need a book or article the library doesn't own? [Let us get it for you!](#)
- Click [here](#) for more information about ILL.
- Click [here](#) to access our ILL policy.

TexShare

A service that lives up to its name, the TexShare program is about Texas Libraries sharing their resources and services with patrons from all over the state. TexShare is the way to get that needed item TODAY – if a local library has it and you can get there today. Click [here](#) for more information about getting a TexShare card.
