[Download Social Media Guide \(PDF\)](#)

Welcome, and thank you for your interest in starting a social media page for your group at Lee College! This form is designed to guide you through key aspects of establishing and managing a social media presence that aligns with the mission and values of Lee College. By answering these questions, you'll gain clarity on your goals, target audience, content strategy, and the level of commitment required to sustain a successful page.

Your responses will also help Marketing & Public Affairs ensure your page has the resources and support needed to effectively engage the college community and beyond. Please answer each question thoughtfully, as this information is vital to setting up a dynamic, purpose-driven social media presence for your group.

Thank you for your time and dedication to sharing the Navigator Nation spirit with a wider audience. Go, Navs!
