

GET TRAINED IN **SAFETY** TODAY!

The **Risk Management Institute** is a service of Lee College's Center for Workforce and Community Development, supported by the Texas Mutual Insurance Company.

We recognize that people are priceless. For this reason, safety knowledge should be free. The Risk Management Institute provides **FREE** seminars, workshops, and safety training on worker's health and safety for employers, employees, and the general public.

Our safety training includes a wide variety of risk management/safety concentrations such as, but not limited to:

- Confined Space – Lockout/Tagout
- Welding Safety
- Safety Leadership/Culture
- Hazard Communication
- Scaffold Safety/Fall Protection
- Ergonomics
- Emergency Preparedness
- First Aid Planning/Fire Planning
- Driver's Safety
- Cyber Security Measures
- Bloodborne Pathogens
- Crane Safety
- Machine Safeguarding
- Respiratory Safety
- Forklift Safety
- Slips, Trips, and Falls (Office & Construction)
- HAZWOPER 40
- Incident Command System

Involve your workforce in developing, implementing, and optimizing safety in the workplace.

We may accommodate additional topics based on the needs of your site. Please email Ashley Iwunwanne at aiwunwanne@lee.edu or call **832.556.5135**.
