NOTE 1: All campus buildings have red emergency phones installed in the hallways. If you cannot get to an office phone, use one of the red emergency telephones. Simply pick up the phone. No dialing is required. Tell the security officer the nature of the problem, and assistance will be rendered. Blue-light phones in the parking lots can be used, as well.

NOTE 2: Announcements regarding the operation of the college will be made on radio and TV stations. Refer to the Temporary Closings section of the handbook for details.
