

Corporate College

It's a competitive world. Train for it!

Lee College provides results-driven, customized corporate training, leadership development, and business support services for corporations and organizations.

Customized Training Every business and organization is different, with distinctive processes, singular needs, and unique objectives. One-size-fits-all training just won't cut it.

Lee Colleges offers courses and customized programs for nearly every industry sector. More importantly, we make our training fit your organization and your needs, not the other way around. Our staff will:

- **Train** at a Lee College campus, or at your site.
- **Customize** every program to address your specific challenges and deliver exactly the experience your employees need.
- **Tailor** courses to deliver on topics you select.
- **Maximize** cost-effectiveness by training on multiple topics in a single program.
- **Return** employees who are ready to contribute.
- **Equip** employees with the knowledge and skills to make an immediate impact on your organization.

Lee College provides free, grant-funded training to small business owners employees to enhance their businesses' operations.
