Paranormal Camp

Come explore the unknown! Paranormal Camp will examine mysteries, hauntings, cryptozoology, UFOs and the unexplained. This camp will give students another prospective of their own unexplained experiences. Ghosts and other supernatural phenomena are widely represented throughout modern culture. They can be found in any number of entertainments, commercial, and other contexts, but popular media or commodified representations of ghosts can be quite different from the beliefs people hold about them, based on tradition or direct experience. They will learn about equipment used in the paranormal, have hands-on experience with the equipment, communicate and collaborate with storytelling, legends, and lore as well as meet tv ghost hunters Barry and Brad Klinge of Ghost Lab via zoom. Students will experience their own investigation on the last day of camp.
